GENERAL LISTS OF APPROVED PRODUCTS / MANUFACTURERS FOR MECHANICAL AND ELECTRICAL INSTALLATIONS
REVISION 12TH JUNE 2021

INSTRUCTIONS FOR COMPANIES

- 1 The Department of Electrical Services will be updating the list of approved products / manufacturers further. Therefore, we would like to invite prospective companies to become agents for products which currently have no appointment agents by reapplying their products as per the normal procedures. Products that has no appointed agents and did not re-register after 1st August 2021 will be removed from the list.
